

CORONAVIRUS COVID-19

Important Information

If you are concerned that you have been infected or exposed to the Coronavirus then please follow these Guidelines.

DO NOT

Present to our practice unannounced. You will be spreading the virus.
GPs are NOT EQUIPPED to isolate or to treat you.

DO

Stay home if you are sick to avoid spreading illness to others.

If you start having symptoms, please call 8-1-1 first.

Otherwise, please call our clinic and talk to one of our receptionists. We will advise you on a course of action based on your risk and symptoms

DO put on a mask!

IF

You have arrived here please remain outside the doors or in your car
and call us at 604-542-7788

From your phone so we can bring you a mask to wear and
have a doctor alerted.

SYMPTOMS

Cough

Sore Throat

Fever

Shortness of Breath

RISK

Travel through a country on the watch list. Please check

<https://travel.gc.ca/travelling/health-safety/travel-health-notice#risklevels>

Or exposure to someone with proven or suspected coronavirus within 14 days.

Our advice will be evolving as we know more and will be posted on our website.
